Definir el estilo interior personal a menudo comienza con la elección de la vajilla, eso refleja tu estilo de vida y de negocio.
La importancia de la presentación junto con un vidrio de calidad es sin duda la característica clave para hacer de cada momento algo especial. Enriqueciendo así la experiencia gastronómica total.
Teniendo esto en cuenta, hemos creado nuestras colecciones con cristal de Bohemia, haciendo artículos únicos, de gran calidad y sin olvidarnos de la facilidad de uso.
En Bohemia Fashion tenemos como objetivo producir productos con un valor agregado, poder combinar un diseño elegante con materiales innovadores, como es un material ligero, con un alto nivel de brillantez y que a su vez cumple con los requisitos del nuestros usuarios.

Con la tecnología de nuestro cristal conseguimos un brillo destacable, un alto índice de refracción y un procesamiento de alta calidad y tecnología. Esto los conseguimos gracias a que elaboramos nuestros productos con un 24% de cristal de plomo.
La tradición duradera, la creatividad en el diseño, la amplia gama de productos, la producción, la tecnología flexible y la confianza del consumidor se encuentran entre las principales características del gran éxito de nuestra marca.
